WHERE THE MONEY GOES

Founded in 2008, Pelotonia was established with the objective to fund life-saving cancer research. Through the first 11 years, the Pelotonia community raised more than $207 million for cancer research. Thanks to its generous funding partners, Pelotonia is able to direct 100% of every participant raised dollar to cancer research at The Ohio State University Comprehensive Cancer Center – James Cancer Hospital and Solove Research Institute.

HOW ARE YOU MAKING A DIFFERENCE? CHECK THIS OUT:

The Pelotonia Institute for Immuno-Oncology (PIIO)

In July 2019, Pelotonia announced the creation of the Pelotonia Institute for Immuno-Oncology at the Ohio State University Comprehensive Cancer Center – Arthur G. James Cancer Hospital and Richard J. Solove Research Institute. The institute launched with an initial $102,265,000 pledge from the Pelotonia community. This money will be raised over the next 5 years and represents the 2,265 riders who participated in the first Pelotonia in 2009. The PIIO will build on the successful endeavors in this relatively new area of cancer research and therapy, largely considered the next frontier in cancer prevention and treatment.

Renowned medical oncologist and immunologist Zihai Li, MD, PhD was announced as the founding director. The PIIO will contain several centers of excellence, establish top-notch immunotherapy platforms in immune discovery and monitoring, train the next generation of immuno-oncology researchers, and lay fertile ground for collaborations with industries and other immuno-oncology centers around the nation.

FUNDRAISING COMMITMENTS

What is my non-binding fundraising commitment?
While the need for innovative, fast-tracked cancer research is as urgent today as ever before, we realize that the economic uncertainties and the critical needs of our community are currently overwhelming. As a result of these unprecedented times, we have decided to not enforce Pelotonia fundraising commitments this year. With that said, we are hoping you’ll join us in trying to achieve these non-binding fundraising commitments throughout the year.

PRO TIP: Did you know you can set a stretch goal? Legends don’t settle for just reaching the minimum. That’s why the Pelotonia community is known for going above and beyond. Setting your own stretch goal is a great way to inspire yourself and your donors to make as big of an impact to fund cancer research as possible. You will not be charged for any amount that you do not raise, so there’s no downside to being courageous. There’s only the chance to fund more cancer research!
TIME TO PARTY—Four Steps to Fundraising Success

Now that you’ve decided to be a part of the Greatest Team Ever and participate in Pelotonia, it’s time to shout it from the rooftops! It’s also time to think ahead about how you’ll meet your fundraising goals. To alleviate any concerns you may have about reaching your commitment, we’ve developed a four-step method (PARTY) to help you meet and likely exceed your goals: **Plan, Ask, Remind** and **Thank You**. This has been used by Pelotonia community members for years and has helped them meet and exceed their fundraising goals. We’re confident it’ll do the same for you!

**STEP 1**

**PLAN**

Before you begin the process of fundraising, we recommend that you craft a plan. Start by viewing the suggested fundraising timeline on page 21 that provides monthly recommendations throughout the Pelotonia season to help you be a successful fundraiser.

Once you have updated your calendar (found on page 22) with your fundraising deadlines, it’s time to build your network. Take some time to sit down and brainstorm a list of people who might donate to your efforts this year. We recommend starting with:

- Friends and family
- Current or former colleagues and classmates
- Neighbors
- Your professional, volunteer, or religious network
- Your social media connections

Don’t be afraid to ask people who live outside of your community to support you. **On average, more than 35% of donations come from outside the state of Ohio!** Think global and remember that almost everyone has been impacted by cancer in some way.

After you brainstorm your list of potential donors, practice telling your story by asking yourself the following questions:

01 What does Pelotonia mean to me?
02 Why did I make the commitment to participate in Pelotonia?
03 What are my goals this year? Am I increasing my ride distance, riding for the first time or trying to beat my fundraising total from last year?
04 How has cancer impacted my life and why do I believe it’s important to fund cancer research?
05 If a friend told me that their donation wouldn’t really make a difference, what would I say to them?

Now that you have thought about these questions, use your answers to draft your fundraising letter and update your profile! Not sure how to update your profile? Check out **this video** to walk you through. Tell your story in your profile so your network knows why you’re participating and so Pelotonia can share it with the community, too. Familiarize yourself with the Pelotonia website, so you can direct your donors to your personal fundraising page and utilize the resources available to you.
How to Navigate Your Profile (Watch our video)

Your profile page will be your all-access pass into Pelotonia information and resources. We encourage you to familiarize yourself with the website, so that you can direct your donors to your personal fundraising page and utilize the resources available to you.

**UPLOAD A PROFILE PICTURE**

That donors will see when they access your personal fundraising page.

**CUSTOMIZE YOUR URL**

To make it easier for the public to reach your profile page.

**PRO TIP:**

If you're participating in Pelotonia again, make sure to review your profile and update it.

**ADD YOUR OWN PERSONAL STORY OR MESSAGE**

To be seen by the public. Use the brainstorming you did from page 5 to help craft your message.

**ADD YOUR DONOR INFORMATION**

Click here to download a list of your donor information.

**PRO TIP:**

This is great information to send thank you letters.

**ACCESS THE SAMPLE FUNDRAISING LETTER**

And add your own twist.
ASK

The most successful Pelotonia fundraisers have one thing in common: they ask as many people for support as possible, in very personal ways. Don’t procrastinate—from the moment you sign up for Pelotonia, it’s time to start communicating to your personal community.

Start by creating an email or mailing list of the people you identified in Step One (PLAN), and then sit down and write your first communication. Don’t forget the brainstorming you did on page 5. An excellent fundraising email or letter should address the following questions:

- What is Pelotonia and where does the money go?
- Why am I participating?
- What are my fundraising goals and how much progress have I made?

Once you have drafted a fundraising letter, it’s time to send it out! We recommend sending at least four communications to your donors throughout the year, using this format:

01 Announce that you’ve decided to participate in Pelotonia, share your personal story and ask for support. Explain what their support would mean to you.

02 Share an update on your training/progress to your goal. This is also a great opportunity to offer a gentle reminder to those who haven’t yet donated to your efforts.

03 Following Ride Weekend, share details about what your experience was like along with photos from the Ride or Opening Ceremony. This is a great opportunity to thank everyone who has supported you and remind others who haven’t yet donated.

04 At Pelotonia’s annual end of year celebration, the total amount raised throughout the Ride year will be announced. Share this extraordinary total with your supporters and remind them that it wouldn’t have been possible without their support. Also, share specific stories about Pelotonia’s impact and any photos from the event.

DON’T FORGET TO POST THESE COMMUNICATIONS TO YOUR SOCIAL MEDIA CHANNELS. YOU MIGHT BE SURPRISED TO HEAR FROM PEOPLE YOU MAY NOT HAVE TALKED TO IN A FEW YEARS!
SAMPLE FUNDRAISING ASK FROM 9-YEAR PELOTONIA PARTICIPANT, SUSAN CLARK

Dear friends and family,

The Pelotonia experience is more than a cycling event; it is the power of the group working for the benefit of the individual, and a unified drive towards a shared goal. Pelotonia is a direct route to victory in the battle against cancer. I’ve decided to participate in this great experience for a ninth year.

We all know someone who has been affected by cancer. By making a donation, you will help improve lives through innovations in research with the ultimate goal of winning the war against cancer. I would love to have your support. This truly is a unique opportunity to be a part of something special. When you follow the link below, you will find my personal Volunteer profile and a simple and secure way to make any size donation you wish. Think of this as a donation not to me, or Pelotonia, but directly to The OSUCCC – James to fund cancer research. Please consider supporting my effort and this great cause.

Thank you for your support!

STEP 3
REMINDE

Every fundraiser will encounter someone who pledges their support online or says, “I’ll give you a check next time I see you!” but may forget to follow through. We know everyone is busy, but it’s up to you to remind them that cancer doesn’t wait.

How can you tell if someone has pledged, but has not yet sent in their donation? When logged in to your profile, you can see the “Paid” column on your donor list. If this appears with a red “NO” next to the donation, then that check has not yet been received. If some time passes and you don’t see a change, you might want to politely follow up with that individual and ask them if they remembered to send their donation. Please remember, you are still responsible for meeting your fundraising minimum. Any unpaid pledges will not count toward your fundraising. This is why it’s important to send reminders to the people who’ve pledged to support you.

Remember, you have until the fundraising deadline, which is two months after the Ride, to raise money for Pelotonia. Therefore, we suggest sending a final reminder after the Ride weekend when you share your experience, as the timing will lend a sense of urgency to your request.

Here is an example of a great pledge reminder:

---

Dear Grayson,

I wanted to send you a quick note today to share that I DID IT— I completed my first ever 25-mile bike ride last week in support of Pelotonia! It was one of the most difficult but also most rewarding things I’ve ever done. The best part of the ride was crossing the finish line next to so many loved ones.

I’ve been fundraising since March to raise $20,000. I need your help. Goal is 50% achieved. Earlier this year, you pledged a donation to support my fundraising efforts for Pelotonia. If you are receiving this email again and already donated—Thank You! Can’t remember if you donated? Click here and scroll to the bottom to see if you have.

If you would still like to donate, remember, 100% of your donation goes directly to cancer research. You can fulfill your pledge to my fundraising page before the deadline in October at [www.pelotonia.org/scottonabike](http://www.pelotonia.org/scottonabike).

Thank you so much for all of your support this year! I couldn’t have done this without you!

Scott
---
It’s time for the fun part! You’ve planned, asked, reminded and you’re on your way to reaching and likely exceeding your fundraising goals. Congrats!

**Now it’s time to thank your donors.**

Nothing is more important than taking the time to say thank you to the people who supported you this year. Whether you create your own postcard or write a heartfelt note on Pelotonia stationery, always take the time to send a personal thank you note. Remember, you can download your donor address list from your profile.

Here’s a sample message you can use when thanking your donors:

Dear Uncle John,

Thank you so much for the donation to my Ride. You are a part of the work that is being done at The Ohio State University for cancer research! It is an honor to ride for all those receiving treatment now and in the future, in time for patients to receive the treatment they need!

Totals keep rising! I am very proud that I am able to help out in this small way. To date, Pelotonia has raised more than $207 million for cancer research and my ride has raised $25,144.00.

I feel the presence of my supporters with every pedal. Sometimes I feel like quitting, but quitting is not an option because cancer doesn’t quit! Thanks again, please keep the riders’ safety in your thoughts as we are out training and riding for cancer research.

Sincerely,

Marci Meadows

Don’t forget to also post your thank you on social media for your friends and family who have been following along with your Pelotonia journey.

CREATIVE FUNDRAISING EXAMPLES

We advise that you choose at least one creative way that you can supplement your fundraising letters and emails. Think outside the box and create something that will encourage others to participate!

1. $92 – Trivia Fundraiser
2. $501 – 18 individual donations from your first fundraising solicitation & social media posts
3. $14 – Donation back from my local bike shop on gear
4. $400 – 10 individual donors from my pre-ride solicitation
5. $20 – Birthday fundraiser on Facebook
6. $315 – Post-ride donation reminders & Instagram post
7. $24 – BOOSTS from friends and family on PULLL

Total = $1,366

*116 past $1,250 non-binding fundraising commitment!

Here are examples of the most fun and creative fundraising ideas we’ve seen over the years. We’ve ranked them from easiest to most involved.

EASY AS PIE:

- Enlist your friends to host a bake sale, pancake breakfast or car wash.
- Deliver homemade goods in exchange for donations.
- Think about ways you can help people in your neighborhood or network—like mowing the lawn, shoveling snow, organizing closets, baking cookies, taking down holiday lights, addressing invitations—and exchange a service for donations.
- Don’t wait for your donors to think of it—get online and research your friend’s and family’s employers on our matching gift tool and encourage them to get their contribution matched.
- Ask for a BOOST on PULLL (see page 13 for more details).
CREATIVE FUNDRAISING EXAMPLES (continued)

REQUIRES A LITTLE BIT OF LEGWORK:

- If your employer allows solicitation at work, ask if you can have a “jeans day” where employees who donate to your fundraising can wear jeans.

- If you have a donor who is willing to give $500 or more to your fundraising, leverage that as a “matching” gift. Pick a time frame and tell your friends that every dollar they give during a certain week will be “matched” by that anonymous donor, up to a certain dollar amount.

- Rent a movie projector and invite friends over to your backyard movie theatre. No tickets accepted, just cash donations.

- Find a favorite bar or restaurant willing to donate 20% of sales and invite your network for a night on the town.

- Ask a sports facility or fitness instructor to donate their space and/or time and host a tournament or class you can sell tickets for.

- Accept donations to tune-up your neighborhood bikes before the weather warms up. Bike maintenance skills required.

BIG EFFORT WITH A BIGGER PAYOFF!

- Throw an event like a St. Patrick’s for Pelotonia Party and get green—green attire, green drinks and green cash donations.

- Look for sponsors and print their name on the jersey you’ll wear during the ride.

- Take on a freelance project and donate the proceeds you earn.

- Ask friends and local businesses to donate items and services that can be auctioned off for donations.

- Host a “spinoff” at your office and get your vendors to sponsor your team spinning the entire day.
PULLL, powered by Pelotonia, is a fundraising app that allows you to generate funds for cancer research through exercise activities.

How to use PULLL?
It’s easy. Download the free app from the App Store or Google Play Store. Join a challenge in the app to unlock funds for your workouts — whether that’s a training ride, walking the dog, hot yoga, or your favorite spin class, it’s all funding cancer research and every dollar earned is eligible toward your non-binding Pelotonia fundraising commitment.

Share your workouts with friends and family in order to BOOST your impact.

What’s a BOOST?
A BOOST is an in-app donation from friends and family that accelerates your personal fundraising—like a digital high five! You can ask for BOOST before or after any challenge activity in PULLL and friends and family can donate directly on their phone—they can even use Apple Pay.

BEST PRACTICES FOR SOCIAL MEDIA
MATCHING GIFTS & INDIRECT DONATIONS

This section is intended to answer some of our most commonly asked questions about matching gifts and indirect donations. Please carefully read the following pages, in addition to our comprehensive online FAQs here.

MATCHING GIFTS

Matching gifts are a great resource—but can also be complex when you’re fundraising on a deadline. As of January 1, 2020 the process for matching gifts changed for Pelotonia. Please make note of the changes and things to know below:

- In previous years, Pelotonia shared its nonprofit Tax ID with The Ohio State University Foundation, which accepted all matching gifts on behalf of Pelotonia. Beginning January 1, Pelotonia received a new 501c3 number and began operating under the EIN 82-4997087. This means that Pelotonia internally processes all matching gifts now.

- We offer a fantastic tool that you can use to find out whether an employer matches charitable contributions, how frequently they disburse gifts, and how to contact their matching gift coordinator: http://pelotonia.org/matchinggifts

- We encourage you to apply for your matching gift as soon as possible to ensure your funds have the best chance of arriving into your account before the fundraising deadline. It can take up to a year for a check to arrive in your account after you submit the initial request with a company.

- Each company controls the schedule on which it issues matching gift checks. Many companies issue matching gift checks on a quarterly basis, while others may issue checks on a semi-annual or even annual basis. Thus, it is very important for you to familiarize yourself with a company’s matching gift policy.

- While the Pelotonia team highly encourages the use of matching gifts in fundraising, we have no control over the timing, distribution and receipt of your matching gift. For this reason, we encourage you to supplement your fundraising efforts with matching gifts instead of relying on them.

WE MUST RECEIVE ALL MATCHING GIFT DONATIONS BY FRIDAY, OCTOBER 2, 2020 TO BE COUNTED TOWARDS YOUR 2020 FUNDRAISING TOTAL.
INDIRECT DONATIONS

At Pelotonia, we consider a donation to be an “indirect donation” when it has traveled through a separate entity to get from the donor to the recipient. Examples of this include United Way contributions and websites like Network For Good, Benevity, and JustGive.

It is important to pay close attention to these donations for these reasons:

- Pelotonia generally has little to no control over the receipt and allocation of these donations, and it is generally more difficult for money donated through a separate entity to find its way into your fundraising account.

- Similar to matching gifts, these donations must go through another company’s disbursement process before being received at Pelotonia. This may delay receipt of your donation.

- Many indirect gifts arrive at Pelotonia smaller than when the donor originally made the gift. For example, if you donate $100 to Pelotonia through an organization that takes a 10% processing and administrative fee from each donation, only $90 will arrive at Pelotonia.

- If you choose to give through indirect donations, it is imperative that you list the donor name, Rider name, and Rider ID number so that the gift can be acknowledged and allocated correctly.

We support the use of indirect giving, but it is important for riders and donors to educate themselves about the fees and legwork involved when donating through a separate entity, instead of donating directly to Pelotonia.

WE MUST RECEIVE ALL INDIRECT DONATIONS BY FRIDAY, OCTOBER 2, 2020 TO BE COUNTED TOWARDS YOUR 2020 FUNDRAISING TOTAL.
FAQs

For a full list of FAQs, please visit our website at pelotonia.org/ride/faq.

Q: What happens if I don’t meet my non-binding fundraising commitment by the deadline?

A: **3.26.2020 Update:** While the need for innovative, fast-tracked cancer research is as urgent today as ever before, we realize that the economic uncertainties and the critical needs of our community are currently overwhelming. As a result of these unprecedented times, we have decided to not enforce Pelotonia fundraising commitments this year. Please note that a payment method will still be collected during the registration process and every dollar raised will continue to fund life-saving cancer research.

Q: My employer has a strict no-solicitation policy. How am I going to reach my fundraising goals if I can’t tell my colleagues about what I’m doing?

A: We respect your employer’s solicitation policy and we encourage you to review it carefully. We hope that our Four Step Fundraising Method (PARTY) helps you think creatively about other fundraising opportunities outside of your area of employment. Additionally, you can always contact our team at pelotonia@pelotonia.org if you need help brainstorming additional fundraising ideas. The Pelotonia community is often sharing different ideas on social media as well!

Q: I am nervous that I won’t reach my fundraising commitment and that my credit card will be charged in October. What should I do?

A: Don’t let the fear of the unknown make you nervous. Year after year, we have watched as thousands of participants met and exceeded their fundraising commitments by following these recommendation. While the need for innovative, fast-tracked cancer research is as urgent today as ever before, we realize that the economic uncertainties and the critical needs of our community are currently overwhelming. As a result of these unprecedented times, we have decided to not enforce Pelotonia fundraising commitments this year. With that said, your credit card will not be charged for the 2020 Ride.

Q: I have a personal issue and can no longer devote as much time to fundraising as I’d hoped. What should I do?

A: We hope you’ll continue to fundraise however much you are able! Every dollar makes a difference in our pursuit of One Goal. You are entitled to cancel your participation as a Rider in Pelotonia at any time during the 2020 calendar year. However, even if you cancel your participation as a Rider in Pelotonia, your registration fee is not refundable or transferable and the funds that you have raised as of the date of my cancellation as well as any funds that you raise on or after the date of my cancellation are not refundable to me or my donors.
FAQs (continued)

Q: I was expecting a matching gift to arrive before the fundraising deadline and it hasn’t. What do I do?

A: Check with your donor or employer to get an expected date of arrival. If it’s received after the fundraising deadline, it can be counted toward next year’s fundraising.

Q: Can Pelotonia staff come and support me or speak at my cool / awesome / unique fundraiser?

A: We try to attend as many events as possible throughout the year, but at the end of the day, there are thousands of you and we are a small team. We ask that you contact Pelotonia by emailing pelotonia@pelotonia.org and we’ll do our very best to be at your special event. If we can’t attend, we’re happy to equip you with the tools and information needed to have an amazing event!

Q: Why doesn’t the amount ‘I’ve raised’ equal the total donations listed on my profile page?

A: While every donation pledged to you is immediately reflected on your donation list on your profile page, a check donation can only be added to the amount that you’ve raised after the check has been received by the Pelotonia office. To see which check donations have not yet been received by the Pelotonia office, log in to your profile page to view your donor list. Check donations which have not yet been received will show a red “NO” in the column title ‘Paid.’

**YOUR BIRTHDAY:** Considering asking for donations to your fundraising in lieu of birthday gifts this year. A great way to ask for birthday donations is through Facebook Fundraisers!

**SPRING CLEANING:** Before the summer heat kicks in, pick a weekend morning to sell those old clothes and forgotten treasures sitting around your home. Ask your friends for their donations and host a garage sale. Or work with local community groups on social media to sell those items to help you fundraise.

**TRAINING RIDES:** Ask donors to give $1 for each mile you ride over the summer! If you cross-train, create a fitness challenge such as $1 for every pushup you complete.

**EVERYONE LOVES A GOOD COMPETITION:** Reach out to a fellow Pelotonia rider and tell your friends you’re doing a competition to see who can raise the most money. The winner gets to pie the other in the face, or wear a sporting team jersey, etc.
